Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Scientific Research, Exempted Fishing, and Exempted Educational Activity Submissions

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the Federal Register on September 1, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic and Atmospheric Administration (NOAA), Commerce

Title: Scientific Research, Exempted Fishing, and Exempted Activity Submissions

OMB Control Number: 0648-0309.

Form Number(s): None

Type of Request: Regular submission (extension of a currently approved collection).

Number of Respondents: 123

Average Hours Per Response: Scientific research plans, 13 hours; scientific research reports, 6 hours; exempted fishing permit requests, 10 hours; exempted fishing permit reports, 4.5 hours; exempted educational requests, 5 hours; exempted educational reports, 2.5 hours.

Total Annual Burden Hours: 2,164

Needs and Uses: This request is for extension of a current information collection.

Fishery regulations do not generally affect scientific research activities conducted by a scientific research vessel. Persons planning to conduct such research are encouraged to submit a scientific

research plan to ensure that the activities are considered research and not fishing. The researchers are requested to submit reports of their scientific research activity after its completion. Eligible researchers on board federally permitted fishing vessels that plan to temporarily possess fish in a manner not compliant with applicable fishing regulations for the purpose of collecting scientific data on catch may submit a request for a temporary possession letter of authorization. The researchers are requested to submit reports of their scientific research activity after its completion. The National Marine Fisheries Service (NMFS) may also grant exemptions from fishery regulations for educational or other activities (e.g., using non-regulation gear). The applications for these exemptions must be submitted, as well as reports on activities.

Affected Public: Businesses or other for-profit organizations and not-for-profit institutions such as educational and research institutions

Frequency: As needed

Respondent's Obligation: Mandatory and Voluntary

Legal Authority: Magnuson Stevens Fishery Conservation and Management Act
